

IN THE DRAWINGS:

Please amend the drawings by substituting the attached Replacement Sheet of drawings for the corresponding originally filed drawing sheet.

FIGS. 3 and 4 have been amended to illustrate “at least three apertures through the interconnecting portion corresponding to and aligned with the apertures of the first and second foot portions” Support for this amendment can be found in the original disclosure as filed, at least in original claim 9.

FIG. 4 has been amended to illustrate an implementation “wherein the first foot portion has only one aperture therethrough.” Support for this amendment can be found in the original disclosure as filed, at least in original claim 10.

Accordingly, as acknowledged in the Office Action, no new matter has been added by these amendments.
